<tr>
<td>Technical Writing or Science Writing</td>
<td>WR 327* or WR 362*</td>
<td>WR 227</td>
</tr>
</tbody>
</table>

The courses above represent the first two years of a four year degree program. Transfer students should expect to complete the remaining course requirements at OSU. In addition to courses that fulfill the Forestry major requirements, students should be completing courses to fulfill OSU’s Baccalaureate Core (general education curriculum). Major requirements that also fulfill Baccalaureate Core requirements are marked with an asterisk (*).

Forestry includes a professional program (the junior and senior years) which requires a special application. Prospective students should work with OSU College of Forestry staff for assistance in navigating that process successfully.
